ENDLESS SUMMER WITH SCUBAVENTURES FUNJUNKIES!

The winter of 2009/2010 has been brutal. Scubaventures has created an endless summer with tropical vacations to get you through the cold Colorado winter. Join us for some warm sunshine, white sandy beaches, fabulous diving and camaraderie with the Funjunkies.

Everybody loves the March trip. We're going to St. Croix March 14 – 21, 2010. We've got a great hotel lined up, close to "the action" of Christiansted with diving every day and the flight from Denver. When we return from the islands, it will be spring! Come along on this last trip of the winter. Bulk air is sold out so call us to verify the price of this trip.

Palau! WOW! Palau is on ever diver's list of "must see" destinations. We're heading there October 27, 2010. We'll spend 5 nights on Yap with 4 days of diving on the way to Palau where we'll spend another 9 nights with 7 fabulous days of diving. The package price including flight from Los Angeles is just $4925 per person based on double occupancy. Space is limited, don't hesitate and miss this trip of a lifetime.

January 17th is my birthday and we always go somewhere warm in honor of that event. My birthday of 2011 is a really big one. REALLY BIG! I haven't decided where it will be yet, but it's bound to be the best party ever. Don't miss out. Get on the "I want to go" list and at some point I'll let you know where that is. I'm open to suggestions, if there is some place you are interested in. Just remember, it's my birthday, so it's all about ME!
