

WAKATOBI 2012

WAKATOBI DECEMBER 7-14, 2012

Who's coming with us on this AMAZING vacation. **Wakatobi** is one of the top dive destinations in the world. **Do not** miss this adventure!

Prices for the week at Wakatobi including the flight from Bali start at \$3135 per person. We plan to spend 4 or 5 nights on Bali on the way there, and 1 night on Bali after our week at Wakatobi. I don't have prices yet for the Bali part of the trip. I can't book flights yet, so I don't have exact prices on flights either, but I'm estimating in the neighborhood of \$1700 per person for the flight, plus the Bali addition. Expect to pay around \$6,000 per person for this fabulous adventure to one of the world's most pristine dive destinations. I've already filled all the rooms I have reserved, so please let me know if you want to join us so I can reserve more rooms.

Take a look at their website, www.wakatobi.com for more information about the resort. And take a look at our website, www.thetravelconnection.net for pictures from our adventure there in 2006.

LET'S GO DIVING!!!!
