

ESCAPE TO COZUMEL

MARCH 12 – 19, 2011

Easy to get to, friendly people, and affordable vacationing is what draws us to this lovely Caribbean Island off the Yucatan Peninsula of Mexico. We will be staying at Allegro Resort on the southern end of the island. Diving and snorkeling are just a short 10 minute boat ride away. The coral is healthy; the fish life is diverse and plentiful. We've never been disappointed in Cozumel.

This vacation is a value at just \$1425 per person double occupancy. This price includes round trip air from Grand Junction, 7 nights' accommodations, all meals, drinks, taxes, roundtrip airport transfers and insurance. Scuba diving is an additional charge of \$60 per person per day for two tank dives. We can add a 5 or 6 day dive package to this vacation.

A deposit of \$350 per person will reserve your vacation in Cozumel. Final payment is due January 5, 2011. Group space is not held and prices are subject to change. Call or email today to book your March Cozumel vacation.
