

St. Croix, U.S. Virgin Islands

March 13 – 20, 2010

"The largest of the three U. S. Virgin Islands, St. Croix is shamefully overlooked by too many divers. Of the three islands, it alone offers diving's gold standard - wall dives that start in 30 feet of water and plunge thousands of feet beyond safe diving depths. According to our readers, it's also one of the best places in the Caribbean for new divers, so it's anybody's guess why the place isn't crawling with divers."

So, let's go to St. Croix and check it out!

We'll stay at the Hotel Caravelle. This charming European style hotel sits quietly on the water's edge in historic Christiansted, in the heart of the tourist district which makes it extremely convenient to shopping, dining, & nightlife for those who can stay up past 9 o'clock.

There is a lot to do on St. Croix, so plan for a busy vacation of snorkeling, diving, golf and sightseeing. Or nothing at all if you prefer.
